

T066 Medium Wax Resin

This medium quality wax resin grade is designed for use on flat head printers. It shows very good print quality with all types of barcodes. The consistent good quality print uses advanced technology and shows very good smudge and scratch resistance. The matte finish of the print also shows a good resistance to a variety of liquids. The back coat has a very low friction co-efficient and contains an anti-static additive to prolong the life of the print head.
